INSTALLATION INSTRUCTIONS

for CEILING FAN BOX (BH525L)

INSTRUCTIONS

Position the ceiling box on the ceiling joist where a fixture or ceiling fan will be located. Nail the box to the ceiling joist as indicated. Install at least two 1-5/8" long drywall screws through the metal "L" bracket into the side of the ceiling joist.

Using the provided #8 x 5/8" screws and #8 lockwashers, mount the fixture or ceiling fan mounting plate to the open face of the ceiling box.

WARNING

The screws provided must be used to attach the mounting plate.

CAUTION

Do not use any lubricant on the screw threads.

Follow the fixture or ceiling fan manufacturer's instructions for the remainder of the installation.

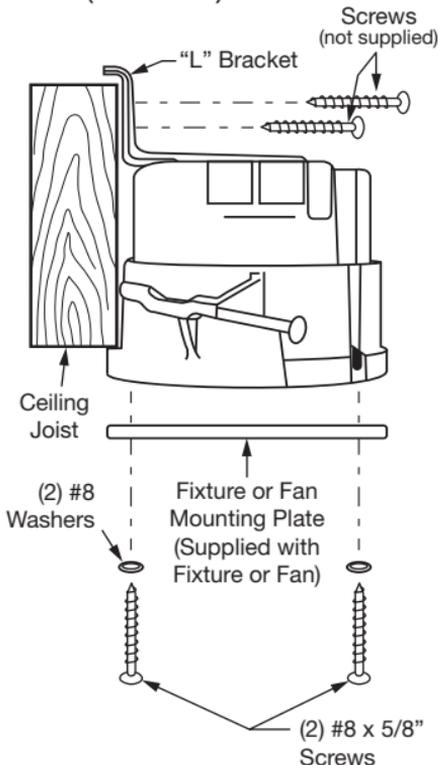

Limited Warranty Applies.

Refer to: www.tnb.com/ecpwarranty for full warranty terms.
