# Fittings, Series 6300SST, Type A

## Liquid-tight fitting

### ***T&B Liquidtight Systems®***

Liquid-tight Type A stainless steel fittings for use in corrosive and caustic wash down applications

#### Certifications / Standards:

**3-Part Specification 26 05 33.24**

**End User Tools**

#### Features & Benefits:

- Meets UL 514B for liquid tight fittings
- Trade sizes from ½" to 1 ¼" (16mm to 35mm)
- Available in straight version
- NPT threads
- Provided with a captive O-ring seal and steel locknut
- Ideal for use in highly corrosive environments

#### Applications:

- Designed to provide a liquid-tight and dust-tight connection between the fittings, conduits and enclosure wall
- For use in outdoor or indoor locations, and exposed to continuous or intermittent moisture
- Used to connect flexible liquid-tight Type A conduit to boxes or enclosures
- Typical applications include raceway for general purpose industrial and commercial construction, machine OEMs, panel builders, indoor and outdoor installations

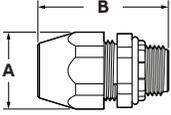

#### Conforms to:

- UL 514B
  - File: E23018

#### Material

- Body: Type 304 stainless steel
- Gland: Type 304 stainless steel
- Locknut: Type 304 stainless steel
- O-ring: Neoprene
- Sealing ring: Santropene

## Series 6300SST Type A stainless steel fittings
